

**FASAB Update:**  
***Emerging Issues in Federal Financial  
Accounting Standards***

**Description**

Join experts from the Federal Accounting Standards Advisory Board for an annual update of GAAP for federal agencies. A panel of three FASAB Assistant Directors will provide a view to the future. They will preview emerging standards that agencies will need to implement as well as ideas about the future of financial reporting and management. Topics include: Reporting Model, Lease Accounting, Reporting on Public-Private Partnerships and Risk Assumed, Implementation Guidance, Tax Expenditures.
