

**It's Been One Year Since FIT Named the
Federal Shared Service Providers (FSSPs).**
So, What's Next?

Description

The Office of Financial Innovation and Transformation continues to advance the initiative of shared services. In 2015, the office will focus on addressing many "barriers to entry" identified by customer agencies and industry partners. Come learn what FIT is doing to improve the shared service ecosystem and help to stabilize the marketplace.
